

Ana García del Molino, PhD

During my Ph.D. I worked on visual understanding and personalization for consumer video summarization. My research interests also include video content analysis and generative models for image transformation. For my career, I aspire to design AI's to solve societal needs.

Professional Experience

- ⊗ BIGO Tech., Singapore
- ☐ April 2019-Today
- O Sr. Al Algorithm Engineer

DCNNs to predict PCA parameters for graphic 3D modeling.

GANs for face expression manipulation.

DCNN-based autoencoders and U-Nets for image and video refinement and style transfer.

- **③** Research Consultant
- Use of a deep ranking model with personalizable input to customize the highlight detection in videos.

- ◎ I2R, A*STAR, Singapore ^а 2014-March 2019
- O Ph.D. Candidate
- △ Supervised by Joo-Hwee Lim
- 🖺 Visual Understanding and Personalization for an Optimal Recollection Experience
- ☐ Modeling of lifelog photo-stream sequences using LSTM networks, to detect daily activities and learn associations between life events.
- ☐ Use of conditional random fields and probabilistic inference for interactive video summarization with diversity and query-driven objectives.
 - Use of image quality analysis and semantic retrieval techniques for querybased lifelog summarization.
- O National Inst. of Informatics, Tokyo
- ₿ 2013
- Research Intern

Extension of the Bag of Words instance search technique by geometric coding and quantization error compensation.

Education and Skills

PhD. in Cognitive Systems and Visual Computing

O School of Computer Science and Engineering **1** 2015-2019

BSc. and MSc. in Telecomm Engineering

TelecommBCN (ETSETB) [□] 2008-2013

- Beginner

Proficient in Matlab, Python, TensorFlow, OpenCV. Prior experience with Caffe, PyTorch, C#, C++, SQL.

I enjoy sailing, the cinema and the opera, playing board games... And I make earrings!

Make the most of your hobbies! I was a sailing instructor in Barcelona the summers of '08 to '12. Commitment to the community. I am the leader of the LeanIn Circle "Al Singapore". As a student I was: Vice-President of the IEEE Barcelona Student Branch in 2011-2013;

Member of the School's Evaluation Committee and Board; intern at the International Student Office.

----- Honors and Awards

Obra Social "La Caixa" 🛱 2014

Private fellowship to support postgraduate studies in North America and Asia-Pacific.

SINGA Scholarship # 2015

Award given by A*STAR to international students to pursue their PhD at a Singapore University.
